Our second and most important set of objectives are the support and funding of the Piedmont Silver Eagles Charitable Funds, Inc. The Piedmont Silver Eagles Charitable Funds, Inc. is a wholly owned subsidiary of the Piedmont Silver Eagles. The Piedmont Silver Eagles Charitable Funds, Inc. is involved in the community in many ways through the promotion and education of the public about the history of Piedmont Airlines. Through our work with the North Carolina Transportation Museum and other museums, we hope to leave a legacy for all of our members that will live on long after we are all gone. We also promote aviation education to children and young adults, provide scholarships for higher education on a limited basis and provide humanitarian assistance to people in need.
