Dear «F_Name»:

This will confirm that you have been displaced to «New_Base_Awarded» effective June 1, 2006.

Enclosed is your Displacement Preference Form – Priority Return Request. This form must be returned to Inflight Administration no later than June 30, 2006.

Please contact Training Administration to determine what additional training, if any, is required for your new base. Flight attendants awarded CLT or PHL, will most likely need to complete A330 Training and Transatlantic Service Training. Training dates are available in May for these two programs.

Sincerely,

Paul Kinsey
Sr. Manager, Inflight Planning and Administration
