As stated in the previous letter, you are being displaced from PIT to «New\_Base\_Awarded» effective June 1, 2006. Pursuant to Section 18.I of the *Flight Attendant Agreement*, you have the ability to exercise priority return to PIT over non-displaced flight attendants and utilize your seniority to return to PIT when a vacancy occurs. In order to exercise this option, you must fill out and return this form within thirty (30) days of your displacement date. Therefore, if you would like to be considered for priority return, you will need to sign and return this form to Inflight Administration no later than June 30, 2006.

If you return this form and would like to later retract this request, you must do so in writing to Inflight Administration prior to being awarded a priority return transfer back to PIT. Otherwise, if you fail to submit a retraction, your priority return transfer award will stand.

If you have any questions, please contact Inflight Administration at 1-800-327-0117, prompts 1, 5, 4, 4.
